

## Konstantinos Karypidis

Motivational speaker, trainer and consultant with a difference

With an extremely diverse background and unique developed skills Konstantinos is one of a kind. From performing on the streets to live television shows and sold out theatrical performances, the last decade has made his way into the highly competitive corporate world working with dozens of top brands, C-Level Executives and entrepreneurs from all over the world, helping them to achieve change and sky rocket their productivity and efficiency.

### Konstantinos Karypidis's 2026 Biography

#### Konstantinos Karypidis Keynote Speaker

In his keynotes he uses a unique blend of psychology, magic, illusion and body language to motivate and inspire people and to help them understand what keeps them back while giving them strategies to access their potential and achieve their personal and professional goals. His workshops on the other hand are always tailored made. He spends as much time as needed with his customers, in order to pinpoint the issues they are facing and then he creates a unique workshop aligned to each organisation's objectives.

His main competitive advantage is his in depth knowledge on changing mindsets. All workshops require new set of skills or new patterns to be formed. Without having the right mindset and a mindset open to change then success turns into mediocrity. No workshop will ever achieve highest impact without the facilitator having the ability to help participants first and above all change their mindsets.

In a nutshell, Konstantinos is an inspiring performer with his main competitive advantages being his in-depth knowledge of what ignites change and his almost magical ability to build rapport with his audience ensuring their high level of engagement and excitement.

He has worked with dozens of multinational companies such as Sanofi, Wind, Entrepreneurs' Organization, Roche, Johnson & Johnson, KPMG, Leroy Merlin, Philips, Oriflame, Astra Zeneca, Avon, DHL, AXA Insurance, L'Oreal, Media Markt, MSD, JTI and individuals that operate in completely different industries and environments offering him a vast knowledge and experience in implementing the right content and most appropriate techniques depending on each particular case. Clients are never provided with the same products or services. Each keynote or workshop is designed from scratch in order to bring the results that clients strive for.

## What Konstantinos Karypidis's clients say

Konstantinos Karypidis is one of the best. He is a guru in his field.

**Konstantinos Marinakis**

*Managing Director, ORIFLAME Greece*

Konstantinos is an extremely capable and driven individual, passionate about what he is doing and that is why he is so effective in bringing results.

**Antonios Printezis, Ph.D.**

*Professor of Supply Chain Management, Arizona State University, W.P. Carey School of Business*

After Konstantinos' presentation all attendants realized the potential power we possess and which unfortunately because of our ignorance on how our mind functions we are not taking advantage of. With Konstantinos being our experienced guide we all were participants in a meaningful and powerful journey to the unknown land of Mr. Brain. His thorough and deep knowledge on non-verbal communication often led us to experience with awe methods and strategies which can help us to alter our paradigms and achieve our goals.

**Sotiris Spiliopoulos**

*Head of Training, Prime Insurance, Cyprus*

As an inductee into the National Speakers Hall of Fame (US), I have the opportunity to witness others in the profession as I present worldwide. Some are ok, some are good and some are great. Konstantinos is great. He deeply impressed me with his ability to connect with the audience, create an energy in the room that everyone felt and charm us with his knowledge and magnetism. He's an asset to the speaking world and would be for any meeting he presents at.

**Scott Halford**

*CSP, CPAE, National Hall of Fame Speaker & Author on Emotional Intelligence, Critical Thinking, NeuroLeadership and Influence Complete Intelligence, LLC NeuroLeadership*

Being an events organizer, responsible for the KPMG events of excellence, I have invited twice Konstantinos as an inspirational speaker. Ten minutes into Konstantinos' presentation, I could tell by the attendees' body language that he had them hooked. He did a fantastic job in both meetings, Sales and HR related. His positive energy, philosophical perspective, intellectual wit and interactive story-telling really reinforced many of the events' concepts for our audience. He was also very humorous and made great use of the audience in an engaging way. I highly recommend Konstantinos to motivate, inspire and develop groups of people, as well as for selected strategic topics.

**George Bakos**

*Senior Manager, KPMG and Sandler*

I had the extreme luck and pleasure to meet Konstantinos in one of his invited lectures at a Customer Service Seminar. I was impressed by the way he immediately established connection with his audience and everyone hooked up to his presentation. Besides his great presentation & communication skills, Konstantinos delivers on the content. I worked with Konstantinos for a team building in the dept I lead and got an enthusiastic feedback from the participants. I would recommend Konstantinos for managing to make difficult and thorny issues more tangible and provide strategies and techniques to resolve them.

**Angelos Evangelopoulos**

*Head of Professional Services, Roche Diagnostics (Hellas) S.A. , National School of Public Health*

With an extraordinary speech at the 9th Customer Service Summit of the Hellenic Institute of Customer Service, Konstantinos managed to gain the complete attention of more than 220 delegates. Our evaluation forms confirmed that his speech touched our audience: Konstantinos was rated with 4.9 points in a scale of 1-5!

**Michalis Boussias**

*Boussias Communications*

Konstantinos Karypidis' presence in our conferences in 2012 produced amazing results. His speeches were full of emotion and ambition which is something very hard to teach and almost difficult to describe in words. The feedback we received from the attendants was full of enthusiasm about his passion, energy and his communicability.

**Pavlina Kostantara**

*Head of PR, AVON Greece*

Superb and essential for anyone wishing to improve any and all areas of their life. Konstantinos is a fantastic speaker who always receives highest rankings. His presentations are just spot-on and motivating.

**Michalis Stangos**

*Founder and CEO, MSCOMM*

Konstantinos is a highly charismatic individual and a unique performer on stage. His keynotes are not only memorable but also highly energetic, inspirational, infused with the latest trends, up to date data and exemplary case studies. I would highly recommend Konstantinos for your next event or consulting project!

**Antonios Printezis**

*W.P. Carey School of Business at Arizona State University*

Konstantinos is an excellent and very talented speaker, with great ability to attract his audience's attention and pass his message in a very effective and powerful way. At the end of his exciting speech, you find questioning yourself and your life concept. I was very impressed and touched from his speech. His energy was very positive and gave me the chance to attend a different seminar/speech from what I used to in other relative occasions, in the past.

**Angelos Markou**

*Director, Business Development GAEA Products*

Konstantinos is a gifted and talented man, that's easy to realize once you start interacting with him. He has excellent communication skills. The successful use of body language, makes each speech of him even more powerful and has great impact in transmitting messages to the audience. Engaging the audience, is one of his strong elements and shows how well he connects with them and they with him. A presentation with Konstantinos, can never be boring. His great sense of humour, his positive attitude combined with his intelligence, leads to a motivational and pleasant outcome, from which audience has lots to earn and learn.
