

Jake Havron

Business Strategist, Keynote Speaker and Leading Entrepreneurs in Results-Driven Consulting

Jake has always found a way to get the strategic edge in life whether it was first becoming a nurse, to then becoming a personal trainer, to then becoming an international business strategist and speaker. He now guides entrepreneurs and corporate teams in getting their strategic edge through the Strategic Edge Triad. He focuses on expanding their capacity to better influence both themselves and others, help them take massive action towards what matters, and provides tools and strategies to make them a more effective leader.

Jake's biography

About Jake Havron

From growing up in Maui, HI where he was the tall, chubby white kid being bullied since elementary school, to earning a full college scholarship to play basketball and receive his nursing degree, to now traveling the nation in speaking to audiences – Jake has found his calling in always serving others in transforming their lives. He is now on a path to constantly bring massive value to those who need it most; the purpose-driven leaders that shape our coming future.

This concept stems all the way back to when Jake realized besides having the height, he wasn't naturally gifted with much else. With diabetes and [health](#) conditions running in his family and also an insatiable will to become EXTRAordinary, Jake realized he much CHOOSE to progress and go against the current or else life will deal him a losing hand.

He now takes this same [mindset](#) into every business consulting session he leads, every stage he speaks on, and to every person he works with. As Jake says, "It's a full out exertion of [energy](#) day in and day out to take the road less traveled. But this, my friends, is where you are led to your dream life because you CHOSE to create real progress in your life and not stand victim to the inevitable changes."
