About Griselda Togobo

She is also a multi-faceted entrepreneur, engineer and chartered accountant. She is a commercially focused business consultant at her core, but her experience as a black woman in the corporate world drives her. She now uses her vast international experience to help progressive global companies create inclusive workplaces.

She works directly with CEOs and [business leaders](#) to close the gender and ethnicity gaps in their organisations. She is a respected and impactful keynote speaker and is known for her high [energy](#) and engaging style. Griselda offers a fresh approach [leadership](#).

She graduated from Cambridge University, Wolfson College with an MPhil in Industrial Systems, Manufacture and [Management](#). Before becoming an entrepreneur, she was a management consultant at Deloitte LLP.

She is a passionate advocate for advancing girls and women in [Science](#), Technology, Engineering and Maths sectors.

Griselda is passionate about supporting female leaders through her work, as Chairwoman of forwardladies.com since 2014, which she has built up into a 20,000-strong (and growing) professional women's network.
