

Brandon Farbstein

Empowerment speaker & Gen Z activist

Brandon Farbstein inspires millions of people across the globe with his universal message of living life on your own terms and innovating your own solution.

Brandon's biography

Brandon Farbstein's background

At just 19, Brandon is a renowned empowerment & TEDx speaker, Gen Z activist, and author. Brandon was diagnosed with a rare form of dwarfism at the age of 2, and he has turned his experience of life from suffering, isolation, and victimhood to empowerment, impact, and influence. After a severe battle with cyberbullying in high school, Brandon decided to share his story- to both offer hope, and to enact change. Brandon has since helped bring forth two new anti-bullying laws in Virginia and will be working with lawmakers in DC to implement new policy federally.

Brandon Farbstein motivational speaker

Whether on tour with his recently published book *Ten Feet Tall*, sharing his message with students at schools across the country including Stoneman Douglas HS in Parkland, FL, or working with Fortune 500 companies, Brandon consistently delivers tools for audiences of all ages to shift perspectives and strengthen their [mindset](#). Last summer, he toured with March For Our Lives, empowering youth across the country to impact and be the change they want to see in the world. In 2018 Brandon was named Instagram & Tigerbeat's #19under19 as one of the 19 most influential teens with over 350k followers across his platforms.

Brandon's talks

- **The Power Of One: How to amplify your gifts and become a catalyst for change**
