Mark's biography

Mark Palmer's background

Before moving to the UK in 2012, Mark was known as the only 100% "clean" stand-up comic in SA. This landed him work with such notable companies as the Protea Hotel Group, Ford, iTouchSA and many more.

Since being here in the UK; he's become a mainstay on the comedy circuit, is a frequent entertainer on Royal Caribbean cruise ships, he's become a truly international [comedian](#) (Canada, Malta, Czech Republic, Belgium etc) and has worked for companies such as Tevo Ltd, Isabella International, All Things Media, FinancialForce.com etc

Year after year, Mark took a different solo show to Grahamstown National Arts Festival (their version of Edinburgh) with critical acclaim.

With a comedic voice heavily influenced by Jerry Seinfeld, Mark's ability to blend a theme or topic with one of today's funniest comedy routines is unparalleled. His smart, sometimes loud and often opinionated brand of comedy has made him an audience favourite wherever he performs.

As Jerry Seinfeld said, "Funny is funny. Clean humour, if it's good, works anywhere." It doesn't matter that Mark Palmer happens to be clean. He's funny. And funny is the thing that matters when you're watching a comedian. And having a comedian that is both clean and funny is a rare thing. But you are thinking it must be difficult to work clean all the time, right? "Clean comedy is easy. Funny comedy is hard." Mark is both.
