

Stelios Haji-loannou

A serial entrepreneur who founded EasyJet and revolutionised low cost air travel

The business mastermind behind EasyGroup, Sir Stelios Haji-loannou is an inspiration to entrepreneurs at all stages of their career. Now based in Monaco, the Greek-Cypriot is also known for founding the shipping company Stelmar and selling it to a rival business four years after it floated on the New York Stock Exchange. Knighted by the Queen in 2006, he is a true icon of modern business.
