

Pippa Malmgren

Former presidential advisor, best-selling author and co-founder, H Robotics

As a former Presidential Advisor, Chief Currency Strategist, and Deputy Head of Global Strategy for global banks, Dr. Malmgren is now building the economy, having co-founded H Robotics, a maker of drones, autonomous vehicles and digitization tools for many industries – mining, oil and gas, construction, agribusiness and public safety all of which need to manage their remote assets from a smartphone.

Pippa's biography

Pippa Malmgren's background

She has been nominated for the National Technology Awards in 2020 and named a Most Influential Woman in Tech by AccelerateHer and WeAreTech [Women](#).

She is also a bestselling author of award-winning books including [Geopolitics](#) for Investors (2015), Signals: How Everyday Signs Help Us Navigate the World's Turbulent Economy, a crowd-funded best-seller (2016), and The Leadership LAB: Understanding Leadership in the 21st Century (2018) a bestseller which was an FT Business Book of the Month and named Business Book of the Year and Best Book on [Leadership](#) in 2019.
