## **Maher's biography**

### **Maher Mezher's Background**

Maher Mezher is the Founder of Innovators League LLC, a regional consulting and training firm that has been built on his theory that [innovation](#) is a science and can therefore be taught. He is an innovation expert and internationally recognized speaker who delivered speeches in more than 25 countries.

As a professional consultant and trainer with more than 20 years of experience, he has served more than 130 clients from a variety of industries including Telecom, Banking, [Education](#), Oil and Gas, Retail and Pharmaceuticals, among many others. As a well-known Public figure, he has been interviewed by more than 150 international media outlets including CNN, BBC, Russia Today, Kyodo, and Reuters regarding his cutting edge innovations.

Maher Mezher is the creator of many inventions including the Innovators Tool®, the first innovation App built on Music, Sound effects, 3D animated images, Dynamic quotes and Strategic tailored questions that guides innovators to transform their ideas into innovative projects, the Innovators Process®, Innovators Habits© and The Become an NNOVATOR® Methodology, as well as the Fertility Loan and Stem Cell Loan. His ideas are so notably groundbreaking that they were mentioned as a case study in Professor Philip Kotler's university textbook, Principles of Marketing.

In addition to his professional work, Maher Mezher has 15 years of university teaching experience where he strives to spread the [culture](#) of everyday simplified innovation. On a personal level, Maher is an accomplished musical artist who plays the piano flute and drums, in addition to performing as a classical Tenor Opera singer.

Maher Mezher has been selected as top 20 Asian Entrepreneurs in a book "Greater than success" published by Partridge available on Amazon.
